Department Overview: The Ingredient Division establishes and executes the go to market strategy. It is driven to build new markets, establish supply chain capabilities, to manufacture quality ingredients and deliver in a manner that exceeds customer expectations. The team works cross functionally with R&D, Data Science, Food Science and Business Development to ensure that we execute to meet our financial objectives.

Position Overview: Responsible for packing, shipping, and receiving all products produced by performing the following duties.

Key Responsibilities:

- Reads Bill of Lading to confirm proper product and amount to be loaded.
- Weighs in empty trucks accurately and on a timely basis.
- Loads proper product and amount per the Bill of Lading from Inventory.
- Weighs trucks out after loading and records all information accurately.
- Communicates effectively with management to ensure efficient operation.
- Maintains clean work environment in the shipping and receiving areas.
- Fixes leaks when noticed and utilizing proper PPE.
- Cleans all spills immediately when noticed.
- Operates industrial fork truck/bobcat to load products.
- Take accurate inventories of the bins, silos and warehouse as directed.
- Receives and loads out soybeans at the downtown elevator as directed by management.
- Other duties and responsibilities as may be.

Requirements:

- High school diploma or general education degree (GED); or one to three months' related experience and/or training; or equivalent combination of education and experience.
- Basic computer skills, including experience with operating menu driven programs and a computer mouse.

Other:

- Attention to detail
- Strong Customer Focus
- Collaborative
- Ability to focus and work independently with little direction

What We Offer:

- Competitive salary
- 401k retirement plan (Roth and Traditional options) with a company match
- Health, dental and vision insurance
- Health savings account, medical and dependent care flex spending accounts
- Long term disability insurance & salary continuation
- Paid holidays and time off
- A dynamic and supportive work environment
